

Anexo I

La lista de las plazas de beca del programa *Erasmus+ Movilidad del personal con fines de Formación* ofrecidas a cada país
Año académico 2019-2020

La distribución de plazas referidas en el anexo I será de carácter orientativo. Dadas las peculiaridades de las movilidades a desarrollar en el periodo de "nueva normalidad" y a la dificultad para organizar eventos que aglutinen a un número elevado de personas en un mismo espacio, se dará prioridad, siempre que exista la opción, a las movilidades de docencia (STA) frente a las movilidades de formación (STT), así como a aquellos socios que envíen antes las candidaturas de acuerdo a los criterios establecidos en la presente convocatoria.

The distribution of grants included in Annex I will be considered only as indicative. Due to the singularity of the mobilities to be implemented during the period of "new normal" and the difficulties in organizing events that involve a high number of people in the same room, priority will be given, when possible, to Teaching (STA) mobilities over Training (STT) mobilities, as well as to partners that send in the first place their nomination letters complying with all the requirements established in the call
