## Timetable

Note that transnational project meetings, production of project results, multiplier events and learning, teaching and raining activities will be listed in this table automatically once you have created them in the dedicated section of the form.

You can create other relevant activities that do not receive specific support but are funded by the Project Management and Implementation grant and add them to the table.

## Participating Organisations

To complete this section, you will need your organisation's identification number (OID). Since 2019, the Organisation ID has replaced the Participant Identification Code (PIC) as unique identifier for actions managed by the Erasmus+ National Agencies.

**If your organisation has previously participated in Erasmus+ with a PIC number, an OID has been assigned to it automatically. In that case, you must not register your organisation again.** Follow this link to find the OID that has been assigned to your PIC: [Organisation Registration System](#)

You can also visit the same page to register a new organisation that never had a PIC or an OID, or to update existing information about your organisation.

## Project Description

### Priorities and Topics

Please select the most relevant horizontal or sectoral priority according to the objectives of your project.

If relevant, please select additional priorities according to the objectives of your project.

Please explain how your chosen priorities relate to the aims and objectives of your project.

Please select up to three topics addressed by your project

### Project Description

Please explain the context and the concrete objectives of your project.

How will the project meet the needs of your partnership and those of the target groups?

Outline the benefits of cooperating with transnational partners to achieve the project objectives.

What outcomes, including project results when relevant, are expected during the project and on its completion?

In what way is the project innovative and/or complementary to other projects already carried out by the participating organisations?

How did you choose the project partners and what will they bring to the project? Does it involve organisations that have never previously been involved in a EU-funded partnership project?

If relevant, please identify and explain the involvement of associated partners, not formally participating in the project. Please explain how they will contribute to the implementation of specific project tasks/activities or support the sharing of project results and the sustainability of the project.

### Participants

Please briefly describe how you will select and involve participants (e.g. learners, staff, etc.) in the different activities of your project.

Participants with fewer opportunities: does your project involve participants facing situations that make their participation more difficult?

## Preparation

Please describe what will be done in preparation by your organisation/group and by your partners/group before the actual project activities take place, e.g. administrative arrangements, communication about the activities, selection of the persons, coaches, involvement of stakeholders, etc.

## Management

### Funds for Project Management and Implementation

Funds for "Project Management and Implementation" are provided to all Cooperation Partnerships based on the number of participating organisations and the duration of the project. The purpose of these funds is to cover diverse expenses that any project may incur, such as planning, communication between partners, small-scale project materials, virtual cooperation, local project activities, promotion, sharing of project results and other similar activities not covered by other types of funding.

A partnership may receive a maximum of 2750 EUR of "Project Management and Implementation" grant per month.

| Organisation role  | Grant per organisation and per month | Number of organisations | Grant |
|--------------------|--------------------------------------|-------------------------|-------|
| <b>Coordinator</b> |                                      | 1                       |       |
| <b>Partner</b>     |                                      | 1                       |       |
| <b>Total</b>       |                                      | 2                       |       |

### Transnational Project Meetings

Please specify the funds requested to organise the planned transnational project meetings.

| Meeting Id | Leading Organisation | Meeting Title | Country of Venue | Starting Period | N° of Participants | Grant |
|------------|----------------------|---------------|------------------|-----------------|--------------------|-------|
| Total      |                      |               |                  |                 | 0                  | 0     |

### Project Management

How will you ensure proper budget control and time management in your project?

Please describe the tasks and responsibilities of each partner organisation in the project.

How will the progress, quality and achievement of project activities be monitored? What qualitative and quantitative indicators will you use to measure the quality of the project's results?

Please give information about the involved staff, as well as the timing and frequency of the monitoring activities.

What are your plans for handling risks which could happen during the project (e.g. delays, budget, conflicts, etc.)?

### Implementation

Please explain how will the project activities lead to the achievement of the project objectives and delivery of the planned results?

How will you communicate and cooperate with your partners?

Have you used or do you plan to use eTwinning, School Education Gateway, EPALE or the Erasmus+ Project Results Platform for preparation, implementation or follow-up of your project? If yes, please describe how.

## Follow-up

### Impact

What is the expected impact of the project on the participants, participating organisations, target groups and other relevant stakeholders?

What is the desired impact of the project at the local, regional, national, European and/or international levels?

How will you measure the previously mentioned impacts?

### Sharing, Promotion and Use of the Project's Results

You are requested to make plans for the sharing and promotion of your project results. Please provide answers to the questions below.

What will be the target groups of your sharing and promotion activities inside and outside your partnership? Please define in particular your target audience(s) at local/regional/national/European/international level and motivate your choice.

Which activities will you and your partner carry out in order to share the results of your project beyond your partnership?

Who will be responsible for the sharing and promotion activities within your partnership and which specific expertise do they have in this area? What resources will you make available to allow for the proper implementation of your sharing and promotion plans?

Erasmus+ has an open access requirement for all materials developed through its projects. If your project is producing tangible project results, please describe how you intend to ensure free access for the public to a digital form of this material. If you intend to put any limitation on the use of the open licence, please specify the reasons, extent and nature of this limitation.

How will you ensure that the project results will remain available and will be used by others?

If relevant, please provide any other information you consider appropriate to give a full understanding of your sharing and promotion plan and its expected impact (e.g. how you have identified which results are most relevant to share and promote; how you will ensure the involvement of all partners; how you see synergies with other stakeholders, etc.)

### Sustainability

What are the activities and results that will be maintained after the end of the EU funding, and how will you ensure the resources needed to sustain them?
