

If you are not member of the University of Cádiz and, thus, you do not have the access key for CAU service, when you try to log in the system, you will find the option to **register** in the display requiring your identification codes.

Once you select this option, you must fulfill the fields requested, being compulsory only those marked with asterisks (*).

Once the registration is completed, you will receive an email with a link in order for you to access the system and confirm your registration. Afterwards, you can use the University of Cádiz CAU service normally.
