

How is **Université de Bretagne Occidentale (UBO)** working on Inclusion matters ?

PART ONE : DISABILITIES ;

PART TWO : GENDER ;

PART THREE : SOCIO-ECONOMIC (1), RELIGIOUS (2) AND ETHNICAL BACKGROUND (3).

Tuesday 13th July, 12:30-14:00

1. Inclusion & support for students with disabilities

- On the campus, a dedicated place to welcome, inform and listen to students with disabilities : **HANDIVERSITÉ**
- Website : https://www.univ-brest.fr/deve/menu/vie_etudiante/Handiversit%C3%A9/HANDIVERSITE
- Staff in charge : **M. Abdelkader BOUDARENE** (amenagement.handicap@univ-brest.fr)

1. Inclusion & support for students with disabilities

→ The missions of **HANDIVERSITÉ** in UBO :

- Helping with administrative procedures ;
- Analyzing needs and setting up compensation measures with teaching and administrative teams in the areas of training, student life and the organization of examinations, competitions, etc. ;
- Providing support throughout the schooling process ;
- Ensuring the accessibility of the university's buildings ;
- A personalized visit of the various university sites ;
- Providing an interface with teaching teams, school departments, other university and external services ;
- Raising awareness among the UBO community.

1. Inclusion & support for students with disabilities

- **Technical support** (specialized equipments for visually disabled students, audio system for deaf students, parking facilities for students with reduced mobility, elevators, etc.)
- **Academic support** (help for library research, access to course content, loan of computers and adapted devices for classes and exams, etc.)
- **Accomodation support** (dedicated apartments on the campus)

2. Gender Inclusion

- **Cultural projects within the University life**
 - **"Girls who..."** : Setting an example of science performed by women and foster programming and robots technology in elementary schools (all UBO) ;
 - **Global Women's Breakfast** : Establishing an on-going virtual network where women in the chemical and related sciences can connect in a meaningful way to support their professional aspirations (once a year in the Faculty of Sciences and Technologies).

2. Gender Inclusion

- In the mark of the **SEA-EU Alliance** (Brest, Cadiz, Gdansk, Kiel, Malta and Split) :
→ Collecting and analyzing **gender datas** among the **social balance sheets** of the **Université de Bretagne Occidentale**.

3.1. Inclusion based on the socio-economic background

- Scholarships ;
- University accommodations ;
- Restaurants on the campus and a solidarity grocery (AGORAé) managed by a student association ;
- Registration fees.

3.2 & 3.3

Inclusion based on the religious and ethnical background

- In France, as a secular state, the legal framework does not allow public organizations to collect data based on religious and ethnic criteria ;
- Nevertheless, cultural and international openness remains one of the most fundamental pillars of the **Université de Bretagne Occidentale (UBO)**.
