ESN and the Erasmus+ experience

Welcome to the biggest European Student Network

What is ESN?

- **Erasmus Student Network** (ESN) is an **association network of students** that belong to a Instituciones de Educación Superior (IES) which operates at the local, national and international levels.
- It was founded in 1989.

We are part of that big organization!

Erasmus Student Network Spain

How is ESN in the world?

- It's in more than **40 countries**.

- There are more than **530 local associations** that support more than 1000 IES.

- It's a group of more than **15.000 volunteers** that helps to international students during their stay (around 300.000).

What is ESN?

The visible part

- Numerous activities and events for international students, that are organised by local students; such as cooking activities, sport tournaments, trips…

- Helping and integrating the international student to the local culture.

- Helping to the international students in the administrative paperwork

- Being conscious of the social values to the local and international students with activities in residences of the third ages or centre of special needs.

What is ESN?

GET YOUR STUFF SHIPPED BACK

ESN Solidarity Mechanism:
Shipping Erasmus' belongings
back home in times of crisis

LINK IN BIO!

National events where we get together in a city, sharing cultures and getting to know each other

Helping projects tothe international student as it can be helping during the COVID situation sending them their stuff to their home country

Erasmus Student Network Spain

What is ESN?

- All our activities and events, even if it is local, national or international, are based in the ESN's 6 causes. These causes guide us to promote a better future based on student awareness

The invisible part

Culture

Education and youth

Skills and employability

LAS CAUSAS DE ESN

Social inclusion

Health and welfare

sustainability
