# Internationalisation

## Internationalisation Plan. Main Objectives

1. Improve the training of students through the development of international and intercultural skills.
2. Promote and facilitate the mobility of students and staff.
3. Improve the quality of mobility academically and administratively.
4. Improve support provided to incoming students.
5. Encourage the interrelation of incoming and local students.

# Internationalisation

## What's been done?

1. International Double Master's Degree with Paris-Diderot and Siberian Federal University.
2. Language assistantships in French, Arabic and English.
3. Special English courses for students of History.
4. New Perspectives in the teaching of American History through Collaborative Online International Learning (COIL)
5. Day trips to important local sites (White Villages, Gibraltar).

# Internationalisation

## What's to be done?

1. Organisation of students' clubs and societies.
2. Building a more inclusive Faculty (Campus).
3. Improve interaction among international and local students.
4. Celebration of contests and festivals.
5. Erasmus Letters: online blog

# ¡Muchas gracias!
