Applied Linguistics Research Institute

Hispanic World Studies Research

UNIVERSITY OF CADIZ

INTERNATIONALIZATION STRATEGY

- A global strategy with Erasmus program as a key point
- Establishing stable and long-standing strategies
- Scientific cooperation based on Ph.D. Co-tutelles
- Double degrees (Master and Bs.C. agreements)
- European and International Mobility in the frame of Erasmus:
 - Erasmus KA131
 - Erasmus KA171
 - Exchange agreements
- Joint cooperation projects:
 - Erasmus CBHE
 - Strategic Partnerships
- Joint research projects:
 - H2020
 - PRIMA
- Other European and non-European calls
- Special emphasis on inclusion and sustainability
- You can find more information about our current projects [here](#)

UNIVERSITY OF CADIZ

AREAS OF INTERNATIONAL COOPERATION

TEACHING

- Mobility of students and staff (Erasmus and non-Erasmus)
- Training periods (Internships)
- Double degrees (masters, Bs.C.)
- Seminars, Courses
- Erasmus+, CBHE projects
- Support to the design and development of Masters and Ph. D. programs

RESEARCH

- Training
- Co-directed Ph. D. thesis
- Thematic networks
- Internships
- Joint research projects (H2020, national calls, ...)

UNIVERSITY OF CADIZ

AREAS OF INTERNATIONAL COOPERATION

MOBILITY

Erasmus incoming students:

900

Visiting students:

150

Teaching, research and non-teaching staff:

115

CO-TUTELLES AGREEMENTS

America:

- EE.UU.
- Mexico
- Colombia
- Brazil
- Argentine

Africa:

- Morocco
- Algeria

Middle East:

- Jordan

Europe:

- Germany
- Italy
- France
- Portugal
- Ukraine
- Belarus
- Russia

Asia:

- Kazakhstan
- China
