

International Staff Weeks

Survival Kit

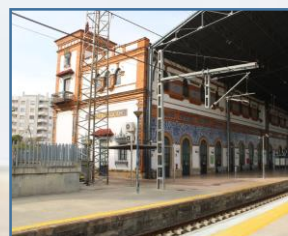

**Universidad
de
Cádiz**

1) How to get to Cadiz?

From Jerez de la Frontera

- *The closest airport to Cadiz is Jerez Airport. From Jerez, you can take bus or train to the center of Cadiz.*

From Seville:

- *Another close airport is Seville Airport. From Seville, you can take a bus or train to the center of Cadiz.*

From Malaga

- *Malaga Airport is another option considering it is a big and busy airport making it an easy alternative. Though, you can take a bus to the center of Cadiz from Malaga, it might be a little more challenging considering Seville or Jerez Airport are a little closer to Cadiz than Malaga.*

- **For train tickets you can check this website:
