Insurance and how to go to the doctor

Every incoming mobility student should have the following:

- European Health Insurance Card (only for students who come from countries in the European Union) or private medical insurance (for those students outside of the European Union)
- Mandatory insurance that covers, at least, property civil liability, accidents and repatriation.

The UCA recommends the following insurance: [Link](#)

What to do if you need to go to the doctor?

- If you have an European Health Insurance Card you must go to the public medical centre (Servicio Andaluz de Salud –Andalusian Health Service-) that is closest to your home or else go to the urgency services of the public hospital (Servicio Andaluz de Salud)
- If you do not have the European Health Insurance Card, you must call your private insurance and they will inform you of the centre you have to go to. The phone number is in the policy you have with your insurance.

In case of health emergency call 061. General Emergency (Police, Fire Department...): Tel: 112
