Further information about the academic calendar: [Academic Calendar 2023-24](#)

**VERY IMPORTANT:** the dates on your acceptance letter are provisional. The official dates of the semester are the ones mentioned above.

Those are the official dates for the semester. Master students attending **ONLY** Master's modules will have to contact their coordinators in order to confirm the beginning of the classes.

Students staying a single semester can only attend the courses offered in such semester. They cannot attend courses offered in other semesters nor full-year courses.

### **SPANISH LANGUAGE COURSES:**

The Official Beginning of the second semester is **22<sup>nd</sup> September 2023** but please have a look at the Information about the Spanish courses offered by the Centre of Modern Languages (CSLM): intensive courses starting at the beginning of each semester, before classes start (**aprox 4<sup>th</sup> September**), and 3-month regular courses during each of the semesters). The Internationalisation Office at the University of Cadiz partially finances one of these Spanish language courses.

Courses, levels and fees can be found under the following website:

**Very Important:** Your ID number at the University of Cádiz provided in your acceptance letter coincides with your Passport or ID Card number. We kindly ask you to use the same number when enrolling in the language courses.

### **ACCOMMODATION:**

You will find information under the following websites:
