

Accommodation Ideas for the ECO-TOOLS-COAST International Summer School University of Cádiz & INMAR | 7–12 July 2025

Thank you for considering applying to the ECO-TOOLS-COAST International Summer School!

Please keep in mind that Cádiz is a popular tourist destination, especially in the summer. Accommodation can be limited, and prices tend to rise quickly, so **we strongly recommend booking your stay as early as possible**. You will receive confirmation of acceptance in the course by Monday 5th May, so you can begin making travel arrangements shortly afterwards.

To help you with your search, we've compiled a few suggestions for budget-friendly options within the city:

Pensions and Small Hotels

Simple and comfortable, for attendants seeking more privacy at a moderate cost.

- **Hostal San Francisco** – A guesthouse near key attractions.

- **Pensión España** – Centrally located, with private bathrooms in some rooms.

Other Options

If your budget allows, **Cádiz also offers a variety of mid-range and higher-end hotels**, guesthouses, and apartments. Availability becomes limited as summer approaches, so **early booking is key**.

We hope this helps!

Best regards,
