

Towards Sustainable Education: Developing and Managing Micro-Credentials

SEA-EU Staff Week 2025 in Naples

General information

Hosting Institution:	Parthenope
Staff Week Title	Towards Sustainable Education: Developing and Managing Micro-Credentials
Abstract: (few lines describing the staff week that SEA-EU partners can use for dissemination)	<p>The Staff Week aims at sharing experience and best practices about the development of micro-credentials, implementing a strategic dialogue among staff members of partner universities within the Alliance. Participants will engage in interactive workshops, institutional presentations, open discussion areas, and networking opportunities aimed at strengthening inter-university cooperation and developing shared approaches to develop Micro Credentials.</p> <p>A highlight of the program is a dedicated day focusing on sustainability, approached from both the economic and life sciences perspectives. Teachers and administrative staff will work together both in terms of innovative pedagogies and administrative hurdles. Finally, the new framework of Micro Credential on sustainability will be presented.</p>
