

November 18–21, 2025

Dear Partners,

We are thrilled to invite you to the forthcoming **International Staff Training Week (ISTW)** hosted by **Wrocław University of Science and Technology**, centered around the theme:

Education Without Borders: Planting Seeds for the Development of Joint Learning Ecosystems.
This training is organized in collaboration with the Unite! University Alliance.

Program will focus on **practical collaboration and hands-on experience** in the design and implementation of joint educational initiatives, including:

- **Blended Intensive Programs (BIPs) and Collaborative Online International Learning (COILs)**
- **Joint Programs (Double Degree and Joint Degree)**
- **Micro-credentials for certifying competencies in joint learning**
- **Strategies to enhance long-term collaboration within partner networks**

The event will feature expert panels, thematic workshops, networking opportunities, and a guided tour of Wrocław.

To support the cultural and networking activities throughout the week—including a group dinner and local tour - **a nominal fee of €50 will be charged. Additional details regarding the payment process will be shared upon registration.**

To confirm your attendance, please **complete the online registration form by October 31st:**

In the form, we encourage you to **propose a workshop topic or idea**, or suggest a brief presentation from your institution that showcases **successful practices in creating joint learning offerings (BIP, COIL, Double Degree program, or Joint Degree Program)**.

We look forward to welcoming you to Wrocław and collaborating on the future of international education!

Warm regards,

The ISTW 2025 Organizing Team, **Wrocław Tech**

In collaboration with Unite! University Alliance.
